

TURNING HOUSES INTO HOMES

WELCOME TO YOUR HOME STYLING

We are all about Interior design. Interior Design is the art and science of enhancing the interior of a building, house or an apartment, to achieve a healthier and more aesthetically pleasing environment for the people using the space. "Turning houses into homes"

01 TREND-REPORT

WE EMBRACE THE NORDIC STYLE

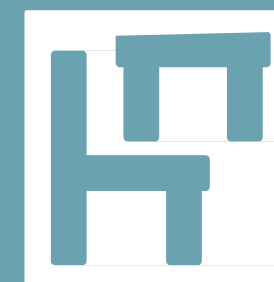

Our dedicated and highly experienced Purchase Team creates strong collections each season inspired by Nordic style.

Not surprisingly the Nordic style has become very popular and it continues in future because of its minimalistic and natural look.

Check out our recommendations for the coming season in our Trend Report.

Embrace the style together with us!

waterdrops

San Marino is a collection of unique sculptures produced by the finest teak wood and glass. The collection consists of 5 different models in different sizes.

Each waterdrop is made of mouth blown glass, shaped and fitted for the individual piece of teak wood.

When purchasing a San Marino Waterdrop, you get an exquisite product produced with focus and respect for the finest craftsmanship. The decorative and organic teak wood is therefore totally unique. Variations from the product image will therefore occur.
